

High Love (Extended Mix)

Dim Sum

In the clouds sometimes I see your face
Do you think I'm insane. I'm a fool for you
In the clouds sometimes I see your face
Do you think I'm insane. I'm a fool for you
In the clouds sometimes I see your face
Do you think I'm insane. I'm a fool for you
In the clouds sometimes I see your face
Do you think I'm insane. I'm a fool for you
