

Cali Green

Mighty Mystic

(smoke draw followed by cough)
Yo me say da cush ya good eee man... Hea
Yo me say the sess from the west is the best herb
Nottin more nottin less from the western
And we blaze Cali Green till we chest hurt

Gimmie my Cali Green... (We no coke it) Oh Yeah! Yow!
One spliff a day
2 spliff a day
3 spliff a day keeps the bad man away
Burn purple haze right in LA
Yeah Cali Green makes me fly like the plane
Yea the west coast call it the sess coast
Bun a long rope when me dung a humbolt
When im on the beach bun Vicky peach
Strawberry, blueberry wid a likkle cheese
In Hollywood I smoke the goods while I drive, God Knows
I smoke the weed I feel so free I could fly... emmm
That's why the sess from the west is the best herb

Yea my shirt off reppin like im Tupac
Den I blow smoke higher than the roof tops
Dung a Santa Barbara we call dem ganja farmer
Primos en San Jose fuman la marijuana
Pan every Oakland corner you get the doctors order
Me say big up the Bay dem medicate the ganja

Nottin more nottin less from the western

And we blaze Cali Green till we chest hurt
