

# The Garden

Vern Gosdin

White ribbon  
Wedding gown  
She walked into the garden  
What has she found  
Oh sorrow  
Untold sorrow  
There would be no groom  
She left him as she  
Found him  
Empty inside

But this time it was  
Much too late  
Nothing to hide  
Oh her soul  
Never left the garden  
Black ribbon  
Long black gown  
She's walking through  
Her memory  
She's so alone
