

Moment in life

Musiq Soulchild

Have you ever had a day
When nothing goes your way
All you do seems to be in vain
And everything is just a waste of your time But have you ever had that moment in life
When everything is cool, yeah
Didn't have to worry about the time
It all went as it should
You were having the greatest moment in life, yeah Don't you worry about the past
'Cause it's gonna be what it is
All that you can do is try
To make your future beautiful, beautiful
And let it be the greatest moment in your life I remember almost every December when we were criers
And mama said that there was only one thing she could get us
When God must have been with us 'cause it is heavenly joy
When you wake up Christmas morning to every toy Then there's the birth of my boy here to inherit the rhythm
And when I see it in him I ask myself what more can I give him
And I would love to but I can't spend every moment with him
It's just those big old eyes that encourage me to keep living Oh when I'm singing, I'm sharing, or rhyming I'm
shining my light
And although the love is so blinding I still end up finding my wife
And all I can do is reminisce 'cause there is no rewinding my life
But the future's so bright that it's almost blinding my sight It's like all a sudden your life is so cool
'Cause everything in it is working for you
Your friends and your family are getting along
It feels like when you hear your favorite song Or when you know that you got money to spend
You never want that moment to end
No you never want that moment to end
No you never want that moment to end
