

# Surrealistic Pillow

Teena Marie

There's a message in my madness, coming out to you  
The only one who ever knew me  
There's a maybe in my head baby, you'll be coming too  
And love is only how you do me, oh Pink clouds all in my eyes, purple mountains capsize  
When I'm thinking about you, oh yes  
So it's not gibberish when it's you that I miss  
And there's one bell that rings true You know who you are, you know what you've been  
You know that your feathers tickle-hurt my skin  
You know I'm the brown sugar covered with snow  
And magnetisms animal you know, oh woah Surrealistic pillow  
Soft and cushion and just right  
Surrealistic pillow  
I just wanna hold you tight There's a method to my magic, coming out to you  
The only one who ever knew me  
If you hear me pillow-talking, you'll be coming to  
And love is all in how you do me, oh Moon beans all in my hand, sweet dreams that you began  
When I'm thinking about you, oh yes  
So it's not by design, when it's you on my mind  
And I need you to get to, yes You know who you are, you know what you've been  
You know that your feathers tickle-hurt my skin  
You know I'm the brown sugar covered with snow  
And magnetisms animal you know, oh woah Surrealistic pillow  
Soft and cushion and just right  
Surrealistic pillow  
I just wanna hold you tight, maybe I Surrealistic pillow lay your head down  
Surrealistic pillow lay your head on down  
Surrealistic pillow lay your head down  
Surrealistic pillow lay your head on down Oh woah  
Oh woah  
Oh woah I just wanna hold you tight, make love to you all night  
Do it till we get it right, lay your head down  
I just wanna hold you tight, any day or any night  
Do it till we get it right, lay your head down You know who you are, you know what you've been  
You know that your feathers tickle-hurt my skin  
You know I'm the brown sugar covered with snow  
And magnetisms animal you know, oh woah Surrealistic pillow  
Soft and cushion and just right  
Surrealistic pillow  
I just wanna hold you tight Surrealistic pillow lay your head down

Surrealistic pillow lay your head on down  
Surrealistic pillow lay your head down  
Surrealistic pillow lay your head on down Somebody give me a pillow  
So I can lay my head down  
You're not talking loud and clear  
In your ear I just wanna hold you tight, any day or any night  
Do it till we get it right, lay your head down  
I just wanna hold you tight, make love to you all night  
Do it till we get it right, lay your head down Surrealistic pillow lay your head on down, oh what  
Surrealistic pillow lay your head on down And you know that  
Psychedelic pillow, oh Surrealistic pillow lay your head down  
Surrealistic pillow lay your head on down  
Surrealistic pillow lay your head down  
Surrealistic pillow lay your head on down Surrealistic pillow lay your head on down, oh woah  
Surrealistic pillow lay your head on down  
Surrealistic pillow lay your head on down
