Say My Name (featuring Verbal Kint)

Various Artists

You want me to say your name, right?
AlrightYou better say my name
'Cause something feels strange
I'll file in a complain
I'm just asking you to say my nameSee usually when I call you, you say "Hey baby"
But now this time, you're only mumbling to me, oh yeah
I know it ain't me, something seems funny
So tell me now, forever, hold your peaceIs that a girl I hear next to you, ooh?
Don't make me come and crash your party, baby
The game is on so I know you ain't leaving, leaving
On my way unless I hear you say, babyYou better say my name
'Cause something feels strange
I'll file in a complain, alright
I'm just asking you to say my nameWhy does it feel like you're trying to rush me
And don't leave the room, you I hear it getting quiet, oh yeah
I still remember when you tried to call me
So tell the truth I wish you'd quit trying to play these game, ohIt's about to be over if I can't come over
Ya, you must think I'm a fool or something
Listen at your voice, see you're sounding shady
Prove it to me and let me hear you say my name, ohYou better say my name
Say my name, say my name, say my name, say my name
'Cause something feels strange
Say my name, what's my name? Say my name
I'll file in a complain, baby say my, baby say my name, ooh
I'm just asking you to say my nameSay my name, something ain't the same
You're homie paged, ya, you've been acting kind of strange
Say my name, something's done changed
I'm not insane, I'm waiting for you to explainSay my name, something ain't the same
You're homie paged, ya, you've been acting kind of strange
Say my name and save the games
I'm just asking you to say my nameYeah, yeah, yeah
Hey, what's up?Say my name, say my name when no one is around you
You say "Baby, I love you", if you ain't running games
Say my name, say my name, you actin' kind of shady
Aint callin' me baby, why the sudden change?Say my name, say my name when no one is around you
Say "Baby, I love you", if you ain't running games
Say my name, say my name, say my name, yeah
Say my name, say my name
