The Hucklebuck

Pearl Bailey

Oh here's a dance you should know
Oh baby when the lights are down low
I say grab your baby then go
Ah do the huckle buck, do the huckle buck
If you don't know how to do it man you're out of luck
Push ya baby out then you hunch her back
Start a little movement in your sacroiliac
Wiggle like a stick wobble like a duck
That's what you do when you do the huckle buck
Oh workout, here's a dance you should know
Oh baby when the lights are down low
Oh won't ya grab you're baby then go
A little bit of twist a little bit of this
And if you don't know how to do it ask my little sis
Push your partner out then you hunch her back
Start a little movement in your sacroiliac
Wiggle like a stick wobble like a duck
That's what you do when you do the huckle buck oh baby huckle
A little bit of twist a little bit of this
And if you don't know how to do it ask my little sis
Push your partner out then you hunch her back
Start a little movement in your sacroiliac
Wiggle like a stick wobble like a duck
That's what you do when you do the huckle buck
I said it here's a dance you should know
When when when the lights are down
