Fire and Rain

Bobby Womack

Just yesterday morning they let me know you were gone
Suzanne the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend'
Bu I always thought that I'd seen you again

Won't you look down upon me Jesus
You've got to help me make a stand
You've just got to see through another day
My body's aching and my time is at hand
And I won't make it any other way

Oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend'
Bu I always thought that I'd seen you again

Been walking my mind to an easy time my back turned towards the sun
Lord knows when the cold wind blows it'll turn your head around
Well, there's hours of time on the telephone line
To talk about things to come
Sweet dreams and flying machines in pieces on the ground

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend'
But I always thought that I'd seen you again

Thought I'd see you one more time again
There's just a few things coming my way this time around me now
Thought I'd see you, thought I'd see you fire and rain, now
