

No More Tears

The Prisonaires

The lights in the window is a crack in the sky
A stairway to darkness in the blink of an eye
And levee of tears to learn she'll never be coming back

The man in the dark will bring another attack

Your momma told you that

You're not supposed to talk to strangers

Look in the mirror, tell me

Do you think your life's in danger here?

No more tears

No more tears

No more tears

No more tears

Another day passes as the night closes in
The red light goes on to say, "It's time to begin"

I see the man around the corner, waiting

Can he see me?

I close my eyes and wait to hear

The sound of someone screaming here

No more tears

No more tears

No more tears

No more tears

{It's just a sign of the times

Going forward in reverse

Still he who laughs the last

Is just a hand in the bush}

So now that it's over, can't we just say goodbye?
I'd like to move on and make the most of the night

Maybe a kiss before I leave you this way

Your lips are so cold, I don't know what else to say

I never wanted it to end this way

My love, my darling

Believe me when I say to you in love

I think I'm falling here

No more tears

No more tears

No more tears

No more tears

{Is just a hand in the bush

In the, in the bush
In the, in the bush
In the, in the bush}
