

# Paralyzed (Aeroplane Remix)

## Mystery Skulls

When you're over,  
I feel so nervous.  
And when we kiss,  
I can't explain.  
It's superhuman.  
The truth isâ€™”  
Mmmmm....  
You got me hypnotized.  
I'm feeling so obsessed with you.  
You've left me paralyzed.  
And now I'm stuck,  
You've got me stuck.  
Hmmmâ€™”uh.  
I never knew  
Just what I wanted.  
I still don't know,  
it's all missing.  
You're picking up  
On what I started.  
And the truth is.  
You've got me hypnotized,  
I'm feeling so obsessed with you.  
You left me paralyzed.  
And now I'm stuck,  
You've got me stuck.  
You've got me hypnotized,  
I'm feeling so obsessed with you.  
You left me paralyzed.  
And now I'm stuck,  
You've got me stuck.  
Hmmmâ€™”F\*\*k it.
