

# Circle of Life (From "The Lion King")

## Collabro

From the day we arrive on the planet  
And blinking, step into the sun  
There's more to see than can ever be seen More to do than can ever be done There's far too much to take in here  
More to find than can ever be found  
But the sun rolling high  
Through the sapphire sky Keeps great and small on the endless round  
It's the Circle of Life  
And it moves us all  
Through despair and hope  
Through faith and love  
Till we find our place  
On the path unwinding  
In the Circle  
The Circle of Life  
It's the Circle of Life And it moves us all Through despair and thope Through faith and love Till we find our  
place On the path unwinding In the Circle The Circle of Life
