

Good Night, Baby

Van McCoy

Good night, baby
Good night, baby
Sleep tight, baby
Dream, dream, dream
Wasn't it a clue the evening
Wasn't it a perfect night
Now the disco dance is over
And they're putting out the lights so

Good night, baby
Good night, baby
Sleep tight, baby
Dream, dream, dream

Love you, baby
Just you, baby
Good night, baby
Dream of me

I could dance like this forever
Never, never let you go
But they're turning off the music
So.. until we meet tomorrow

Good night, baby
Good night, baby
Sleep tight, baby
Dream, dream, dream

Love you, baby
Just you, baby
Good night, baby
Dream of me
