More Like Falling In Love

Jason Gray

Give me rule

I will break them

Show me lines

I will cross themI need more than

A truth to believe

I need a truth that lives

Moves and breathesTo sweep me off my feet, it's gotta beMore like falling in love

Than something to believe in

More like losing my heart

Than giving my allegianceCaught up, called out

Come take a look at me now

It's like I'm falling, oh

It's like I'm falling in loveGive me words

I'll misuse them

Obligations

I'll misplace them'Cause all religion

Ever made of me

Was just a sinner

With a stone tied to my feetIt never set me free, it's gotta beMore like falling in love

Than something to believe in

More like losing my heart

Than giving my allegianceCaught up, called out

Come take a look at me now

It's like I'm falling, oh

It's like I'm falling inLove, love, love

Deeper and deeper, it was

Love that made me a believerIn more than a name

A faith, a creed

Falling in love with Jesus brought

The change in meMore like falling in love

Than something to believe in

More like losing my heart

Than giving my allegianceCaught up, called out

Come take a look at me now

It's like I'm falling, oh

It's like I'm fallingMore like falling in love

Than something to believe in

More like losing my heart

Than giving my allegianceCaught up, called out

Come take a look at me now
It's like I'm falling, oh
It's like I'm falling in loveIt's like I'm falling
(Falling in love)
It's like I'm falling
