Don't You Know

[Fats Domino](#)

You were right I were wrong
Please forgive me come back home
Don't you know don't you know
Don't you know I love you so
Don't you know don't you know
Every day I love you more
Can't go on since you've gone
Feel so blue over you
Don't you know don't you know
Don't you know I love you so
Don't you know don't you know
Every day I love you more
Please come back need you so
I wont ever let you go
Don't you know don't you know
Don't you know I love you so
Don't you know don't you know
Every day I love you moreCry for you night and day
Please come back home and stay
Don't you know don't you know
Don't you know I love you so
Don't you know don't you know
Every day I love you more
