Street of Dreams

Rainbow

I heard the sound of voices in the night

Spellbound there was someone calling

I looked around no one was in sight

Pulled down and I kept on fallingI've seen this place before

And you were standing by my side

I've seen your face before tonight

Maybe I just see what I want it to be

I know it's a mysteryDo you remember me

On a street of dreams

Running through my memory

On the street of dreamsThere you stood a distant memory

So good like we never parted

Said to myself I knew you'd set me free

And here we are right back where we startedSomething's come over me

And I don't know what to feel

Maybe this fantasy is real

Now I know I see what I want it to be

But it's still a mysteryDo you remember me

On the street of dreams

Running through my memory

On the street of dreams

You are in every face I see

On the street of dreamsSomething's come over me

And I don't know what to feel

Maybe this fantasy is real

Now I know I see what I want it to be

But it's still a mysteryDo you remember me

On the street of dreams

Running through my memory

On the street of dreams

On the street of dreamsI know you have always been

On the street of dreams

Will we ever meet again my friend

On the street of dreams

Do you know just what it mend to be

On the street of dreamsNever know just who you'll see do ya

On the street of dreams

You can be who you want to be, oh yeah

On the street of dreams

I can hear you calling me On the street of dreams
