Free Yourself

The Lovetones

Baby you don't pay no mind
You act like you don't love me no more
Maybe you need space or some time
Your attitude is unpredictable
And I don't want to make you unhappy
If you're not happy then you're free to go on
'Cause I don't want you stayin' around
If I make you so miserable
If you don't want me then don't talk to me
(If you don't want me then don't talk to me)
Go ahead and free yourself
(Go ahead and free yourself yeah)
If you don't want me then don't talk to me
(If you don't want me then don't talk to me)
Go ahead to someone else
(Go ahead to someone else yeah)
If you don't want me then don't talk to me
(If you don't want me then don't talk to me)
Go ahead and free yourself
(Go ahead and free yourself yeah)
If you don't want me then don't talk to me
(If you don't want me then don't talk to me)
Go ahead to someone else
(Go ahead to someone else yeah)
Time again and again I try, I try
Baby don't you know I try, oh yeah
But the love I had inside has died
For the love I had inside has died
Won't you be a man if it's over
And just admit that things ain't the same
Instead of making me think it's all good
Between us, which one's to blame?
I took a lot too much to handle
Until I can't take this game no more
This love thing is full of scandals
So you're welcome to walk
If you don't want me then don't talk to me
(If you don't want me then don't talk to me)
Hey go ahead and free yourself

(Go ahead and free yourself yeah)
If you don't want me then don't talk to me
(If you don't want me then don't talk to me
Baby go ahead to someone else
(Go ahead to someone else yeah)
If you don't want me then don't talk to me
(If you don't want me then don't talk to me)
Hey go ahead and free yourself
(Go ahead and free yourself yeah)
If you don't want me then don't talk to me
(If you don't want me then don't talk to me
Baby go ahead to someone else
(Go ahead to someone else yeah)
Time again and again I've tried, I've tried
(Time and time again, I've tried it over and over and over)
But the love I had inside has died
(Oh baby, it's died)
Yeah yeah yeah yeah yeah yeah yeah
I had to take it there I had to take it there
'Cause I'm tired oh yeah
If you don't want me then don't talk to me
(If you don't want me then don't talk to me)
Hey, go ahead and free yourself
(Go ahead and free yourself)
If you don't want me then don't talk to me
(If you don't want me then don't talk to me)
Go ahead to someone else
(Go ahead to someone else)
You're playin' games
If you don't want me, don't talk to me
(If you don't want me then don't talk to me)
Hey, go ahead and free yourself
(Go ahead and free yourself)
Baby if you don't want me, don't talk to me, I'll be alright
(If you don't want me then don't talk to me)
Go ahead to someone else
(Go ahead to someone else)
Yeah yeah yeah yeah
