

# For The Animals

## The Cult

Who do you think it's for?  
For the animals  
What you're tryin to prove?  
Till the unchained  
Who you gonna burn?  
The unattracted  
It's not for you  
Who you're trying to screw?  
All the animals  
Where you gonna go?  
To the unchained  
What you're trying to prove?  
To not participate it  
It's not for you  
Dog shit is, you're crawling him  
Dark prison you leave me in  
You're losing millions, millions of zest  
Switch your mantra, you go to hell  
I, I came to you  
With love in my heart  
And I, I came to you  
With love in my heart  
Who do you think it's for?  
For the animals

What you're tryin to prove?  
To the untamed  
Who you gonna burn?  
The unattracted  
It's not for you  
Dog shit is, you're crawling him  
A dark prison, you're living hell  
You're losing millions, millions of zest  
You speech your mantra to go to hell  
I, I came to you  
with love in my heart  
and I, I came to you  
with love in my heart  
For all the, of children

Staring down the vow of a god

For the animals

For the untamed

The unattricated

It's not for you

I, I came to you

With love in my heart

And I, I came to you

With love in my heart

With love in my heart
