

Do You Love What You Feel (feat. Chaka Khan)

Rufus & Chaka Khan

Ah, do you?
Do you?
Do you? Do you love what you feel
'Cause I love what you do to me
Do you love what you feel
'Cause I love what you do to meBaby, when you're holdin' me
Somehow you seem to set me free
And when I dance with you, romance with you
Is all I singDo you love what you feel
'Cause I love what you do to me
Do you love what you feel
'Cause I love what you do to meI've spent so many nights
Just taking fights within myself
Until you came to me
And held me like nobody elseDo you love what you feel
'Cause I love what you do to me
Do you love what you feel
'Cause I love what you do to meTell me 'bout the way you like it
Anything you want is right
You and I are close together
Your lovin' gets me feeling betterI wanna dance all
I wanna dance all
I wanna dance all nightI wanna dance all
I wanna dance all
I wanna dance all nightI wanna dance all
I wanna dance all
I wanna dance all nightEvery time you're holdin' meDo you love what you feel
'Cause I love what you do to me
Do you love what you feel
'Cause I love what you do to me
