

# I'm The Only Woman

Mary J. Blige

I'm the only woman you need I'm the only woman you need  
Only one you need, take me  
Don't be a fool like you have me  
If you wanna be happy I'm the only woman you need  
All you have to do is trust me  
Never have to be sad again  
'Cause I'll always be your friend I gave my heart to you  
What more can I do to show you how much I care  
About you and all the little things you do  
But see, all I ask is that you make me feel like I'm somebody  
All day, all day, everyday, give your lovin' away, whoa  
Baby, can't you see if we should part  
That all my days of loving you  
You know they weren't that hard  
That's why I'm saying I got to be strong I'm the only woman you need  
Only one you need, take me  
Don't be a fool like you have me  
If you wanna be happy I'm the only woman you need  
All you have to do is trust me  
Never have to be sad again  
'Cause I'll always be your friend I know that I was wrong for all that carrying on  
But are you gonna hold this against me for life  
You know all I wanted to do is be your wife  
And make you happy  
I'm the only woman you need  
Only one you need, take me  
Don't be a fool like you have me  
If you wanna be happy I'm the only woman you need  
All you have to do is trust me  
Never have to be sad again  
'Cause I'll always be your friend If you really don't want me  
I wish you'd let me know and I will go so far away  
I can not stay if you don't want me to  
I can't be a fool for you no more You see I tried, tried to please you  
The best way I know how, and I never deceived you  
If only we could trust each other, stop thinking foolish things  
I don't want another lover I'm the only woman you need  
Only one you need, take me  
Don't be a fool like you have me

If you wanna be happy I'm the only woman you need  
All you have to do is trust me  
Never have to be sad again  
'Cause I'll always be your friend I'm the only woman you need  
Only one you need, take me  
Don't be a fool like you have me  
If you wanna be happy I'm the only woman you need  
All you have to do is trust me  
Never have to be sad again  
'Cause I'll always be your friend
