

Tiger (feat. Aku Orraca Tetteh)

Maximum Balloon

We're so hung up
Like tiny pictures
Sentimental
Remember when
We were heading for the ambush
A convocation
You let your tiger out So what ?
The territory of ? is everywhere
And anywhere you sign your name And so what ?
You get it back
Let go of everything that you know
Don't hold back what you feel Too cold
I got your hand tonight
Hand tonight
Hand tonight
Check, check it out
From you to neighbor Across the ?
And let your player out
And it depends
On many greater
Higher number
Now let that leader bounce Bounce!
Huh!
It washes over
Its pushing forward?
Like ocean ?
And every guitar
They covered you in song
Huh! You let your tiger out
Let go of everything that you know
Don't hold back what you feel
Too cold
I got your hand tonight
Hand tonight
Hand tonight Meow, meow, meow, meow, meow, meow.
Meow, meow, meow, meow, meow, meow, meow. Some kind of sound
Following your ?
Can be found
And later on

On, on, on, on ?
I've got your hand tonight
Hand tonight
I've got your hand in mine
I've got your hand in mine
Hand in mine
I've got your hand tonight
Hand tonight
Hand tonight
