Sandcastle Disco

Solange

Who would've known

The rain and the sunshine

Would Ooh Baby Baby

Build up these walls of mine?

And I can't see you or breathe you

Cause there's trouble right beneath you

It's all in the night

But ooh baby baby

Come pick me up in your rideI'm a cool low Jane

With a skip on my feet

I play tough as nails

With my heart on my sleeve

I'm nothing but a sandcastle

Baby don't blow me away awayBaby I know you do that to all the girls

You know that I'm fragile

Ooh ooh ooh hoo hoo ooh

Bay ba ba ba-by

Don't blow me awayBaby I know you do that to all the girls

You know that I'm fragile

Ooh ooh ooh hoo hoo ooh

Bay ba ba ba-by

Don't blow me awayWho would've known

The storm of my past times

Would ooh baby make me

Losing the song of the eyeAnd I can't believe you or read you

Cause the pleasure in your preview

It's all in your eyes

But oh Mr. DJ, baby, can you meet me out sideYou're a old school dude

With a kick on your shoes

You got groove in your hand

The way you spin those tunes

I'm nothing but a sand castle

Baby don't blow away awayBaby I know you do this to all the girls

But Baby I'm fragile

Ooh ooh ooh hoo hoo ooh

Bay ba ba ba-by

Don't blow me awayBaby I know you do that to all the girls

You know that I'm fragile

Ooh ooh ooh hoo hoo ooh

Bay ba ba ba-by
Don't blow me awayOoh and just like the ocean
Lays right there behind me
Look over my sandcastle
And there's a sight to see
Don't blow me away

You know that I'm fragile

Ooh ooh ooh hoo hoo ooh

Bay ba ba ba-by

Don't blow me awayBaby I know you do that to all the girls

You know that I'm fragile

Ooh ooh ooh hoo hoo ooh

And bay ba ba ba-by

Please don't blow me awayAway AwayBa ba-da, ba ba ooh ooh Away away x2Ba ba-da, ba ba ooh ooh Ba ba-da, ba ba ooh ooh
