

# Rhumboogie

## The Andrews Sisters

All Harlem's got a brand new rhythm  
And it's burning up the dance floors  
Because it's so hotThey took a little rhumba rhythm  
And they added boogie woogie  
And now look what they've gotRhumboogie, rhumboogie woogie  
It's Harlem's new creation  
With a Cuban syncopation  
It's a killerRhumboogie, rhumboogie woogie  
The native rhythm haunts you  
It's barbaric and it taunts you  
It's a killerJust plant your both feet on each side  
Let both your hips and shoulders glide  
Then throw your body back and rideThere's nothing like rhumboogie, rhumboogie woogie  
In Harlem or Havana  
You can kiss the old Savanna  
It's a killer{Oh, beat me daddy, eight to the bar}Rhumboogie, rhumboogie woogie  
It's Harlem's new creation  
With a Cuban syncopation  
It's a killerRhumboogie, rhumboogie woogie  
The native rhythm haunts you  
It's barbaric and it taunts you  
It's a killerJust plant your toes and both feet on the side  
Let both your hips and shoulders glide  
Then throw your body way back and ride  
Think a little of, the rhumbaThe boogie, the woogie  
Then put them, both all together  
You have rhumboogie  
Then all together sing rhumboogieRhumboogie woogie, rhumboogie  
In Harlem or Havana
