

# I Don't Wanna Talk About It

## Indigo Girls

I can tell by your eyes  
That you've probably been crying forever  
And the stars in the sky  
Don't mean nothing to you, they're a mirror I don't wanna talk about it  
How you broke my heart  
If I stay here just a little bit longer  
If I stay here, won't you listen to my heart?  
My heart If I stand all alone  
Will the shadows hide the color of my heart?  
(Will they be blue for the tears? Black for the nights)  
Nights we spent apart  
And the stars don't mean nothing to you They're a mirror  
I don't wanna talk about it  
How you broke my heart  
Oh, if I stay, if I stay here  
Won't you listen to my heart?
