

# Waking Up

Evan Dando

Put the other rest of it around itself  
Spray with water and restore the health  
Let it sleep, still it keepsWaking up  
Waking upTake a shower and destroy your health  
Put the other rest of it around itself  
Let is sleep, still it keepsWaking up  
Waking up  
Waking up  
Waking upWaking up
