

# The Prophecy

## Iron Maiden

Now that I know that the right time has come  
My prediction will surely be true  
The impending disaster, it looms  
And the whole of the village is doomed Why won't you listen to me?  
Is it so hard to understand?  
That I am the real seventh son  
Your life or death on me depends Suffering and pain, impending disaster  
Souls crying, the Devil's laughter  
I heard the cry of the seven whistlers  
Lucifer smiles, looks on and waits I'll take your life in my hands  
Your fate, your fortune's in my vision  
Heed what I say and you'll see what will be  
Please listen to me Now that they see the disaster is done  
Now they put all the blame on to me  
They feel I brought on a curse  
Don't they know that the torment It stays with me, knowing that I walk alone  
Through the eyes of the future, I see  
They don't even know what fear is  
Don't they know I'm the one who is cursed? Purgatory beckons, souls lost forever  
Life after death or heaven hereafter  
Heard the call of the seven whistlers again  
Now Lucifer laughs, Hell awaits I had their lives in my hands  
Their fate, their fortunes in my vision  
No one believed in my true prophecy  
And now it's too late
