

# If I Never See Your Face Again (feat. Cross)

## Maroon 5

Now as the summer fades, I'll let you slip away  
You say I'm not your type, but I can make you sway  
It makes me burn to learn you're not the only one  
I'll let you be if you put down your blazing gun Now you've gone somewhere else far away  
I don't know if I will find you (find you, find you)  
But you feel my breath on your neck  
Can't believe I'm right behind you (right behind you) 'Cause you keep me coming back for more  
And I feel a little better than I did before  
And if I never see your face again, I don't mind  
'Cause we got much further than I thought we'd get tonight Sometimes you move so well it's hard not to give in  
I'm lost; I can't tell where you end and I begin  
It makes me burn to learn you're with another man  
I wonder if he's half the lover that I am Now you've gone somewhere else far away  
I don't know if I will find you (find you, find you)  
But you feel my breath on your neck  
Can't believe I'm right behind you (right behind you) 'Cause you keep me coming back for more  
And I feel a little better than I did before  
And if I never see your face again, I don't mind  
'Cause we got much further than I thought we'd get tonight Baby, baby, please believe me  
Find it in your heart to reach me  
Promise not to leave me behind  
(Promise not to leave me behind) Take me back, but take it easy  
Make me think, but don't deceive me  
Talk to me by taking your time  
(Talk to me, talk to me) 'Cause you keep me coming back for more  
And I feel a little better than I did before  
And if I never see your face again, I don't mind  
'Cause we got much further than I thought we'd get tonight (Talk to me, talk to me) 'Cause you keep me coming  
back for more  
And I feel a little better than I did before  
And if I never see your face again, I don't mind  
'Cause we got much further than I thought we'd get tonight
