

# Needle Gun

## Hawkwind

So you're alive,  
I thought you was doneSo you're alive,  
I thought you was done  
I'm gonna bring you down  
with my needle gun  
Feel my pin-prick tattoo your spine  
Give it a minute,  
Your life's entwined with mineIt's gonna make you run  
Needle needle, needle needle gun  
It's gonna make you run  
Needle needle, needle needle gunHear my laughter  
In your head  
It's a pity, it's a shame  
Nothing's been said  
It's a vaccination joy  
With the ultimate death toy  
It's gonna make you run  
Needle gun, needle gunIt's gonna make you run  
Needle needle, needle needle gun  
It's gonna make you run  
Needle needle, needle needle gun  
So you're alive,  
I thought you was done  
I'm gonna bring you down  
with my needle gun  
Feel my pin-prick tattoo your spine  
Give it a minute,  
Your life's entwined with mineIt's gonna make you run  
Needle needle, needle needle gun  
It's gonna make you run  
Needle needle, needle needle gunHear my laughter  
In your head  
It's a pity, it's a shame  
Nothing's been said  
It's a vaccination joy  
With the ultimate death toy  
It's gonna make you run  
Needle gun, needle gunIt's gonna make you run  
Needle needle, needle needle gun

It's gonna make you run  
Needle needle, needle needle gunIt's gonna make you run  
Needle needle, needle needle gun  
It's gonna make you run  
Needle needle, needle needle gun  
It's gonna make you run  
Needle needle, needle needle gun  
It's gonna make you run  
Evil needle, needle needle gun
