# Going All Out

## Sick of It All

Right now, I don't care how shame feels
Don't care how pain feels inside
Right now, don't care what I hear
Don't care what I fear insideSo now I'm going it alone
It feels like me against the world
I can't allow for an ounce of inability
I may be tetched, but for now I'm going all outRight now, I don't care how shame feels
Don't care how pain feels inside
Right now, don't care what I hear
Don't care what I fear insideI can't make room for comfort
I can't make room for myselfI'll keep my cool, defiantly
My strategy is not too sound
But I'm going all outIf there's a barrier up
I'm pushing through it
A door slammed in my face
I'm kicking through itI will silence the doubts
Even if it fucks me up right now
I'm tetched, but I'm going all out
I'm pushing my limitsRight now, I don't care how shame feels
Don't care how pain feels inside
Right now, don't care what I hear
Don't care what I fear insideRight now, I don't care how shame feels
Don't care how pain feels inside
Right now, don't care what I hear
Don't care what I fear insideRight now, I don't care how shame feels
Don't care how pain feels inside
Right now, don't care what I hear
Don't care what I fear insideIt doesn't matter
It doesn't matter to me
