

Alien Girl

Tacocat

I don't like your dad, your dad don't like me
Said I'll put a nest in the family tree
Call her on the phone, try to ask her out
First I lost my nerve, then I lost my job
Alien girl, alien girl
I don't understand 'cause you're not from this world
Alien girl, alien girl
I don't understand 'cause you're not from this world
Alien boy, alien girl
Alien boy
All your so-called friends, put you to the test
If we can find true love, why can't all the rest
Take me to your world, show me to your kin
Now I understand, 'cause I'm the alien
Alien girl, alien girl
I don't understand 'cause I'm not from this world
Alien girl, alien girl
I don't understand 'cause you're out of this world
Alien boy, alien girl
Alien girl
Alien boy, alien girl
I don't understand 'cause you're not from this world
Alien girl, alien girl
I don't understand 'cause you're not from this world
