

Sweet Leaf

Decomposing Serenity

[Originally by Black Sabbath]ALRIGHT NOW!
Won't you listen?When I first met you, didn't realize
 I can't forget you, for your surprise
 you introduced me, to my mind
And left me wanting, you and your kindI love you, Oh you know itMy life was empty, forever on a down
 Until you took me, showed me around
 My life is free now, my life is clear
I love you sweet leaf, though you can't feelCome on now, try it outStraight people don't know, what you're
 about
They put you down and shut you out
 you gave to me a new belief
 and soon the world will love you sweet leaf
