Never Satisfied

Judas Priest

Where do we go from here
There must be something near
Changing you, changing me foreverPlaces changes, faces change
Life is so very strange
Changing time, changing rhyme togetherThere's no where else to go
This could be our last show
Changing dreams, changing schemes neverWe are never satisfiedLove is gone, along with fun
Now we're reaching for the gun
Changing cast, changing fast, no more tetherWe are never satisfied
