

Never Satisfied

Judas Priest

Where do we go from here
There must be something near
Changing you, changing me forever Places changes, faces change
Life is so very strange
Changing time, changing rhyme together There's no where else to go
This could be our last show
Changing dreams, changing schemes never We are never satisfied Love is gone, along with fun
Now we're reaching for the gun
Changing cast, changing fast, no more tether We are never satisfied
