

# Embody The Invisible

## In Flames

I demand nothing, but I want it all  
What privilege do we have under the sun,  
That gives us the right to the throne? Species come and go, but the earth stands forever fast  
All river runs towards the sea, but the sea is never full To discover the loneliness and be too proud to show the  
wounds  
Will forever wander alone through the years But I won't let you near  
Begging for you to understand  
The fear that lives in my soul  
Which is an untouched spring Read, what is written on the silent mouth  
What is written in the soul  
For which is written in the shining silence  
We all have to read My body will be bent from the burdens  
When the shaking floor of life-force  
Reveal its chasm underneath  
If only one could be two steps ahead
