Relient K

We want chicken, we want liver
Meow mix, meow mix, please deliver
Meow meow meow, you can purr along too
'Cuz I am not just a cat
I'm more than that
I'm a Thundercat tooChillin' at the lair, Snarf and me and the twins
My favorite feline is the one who wore cheetah skins
Fighting evil, we drink milk, and we purr a lot
Ask me to cross them and I would say I'd rather notI'd rather not
