Dear Crutches

Les Savy Fav

You can go home dear but you can't go back the way you came.
you can go home my sweet. Please just don't go home today.
I'm going cynical, and it's tearing me apart, but wont you stay a while and be a hairnet for my heart?You can go home dear but you'll have to pay your own way
you can go home my sweet please, please just don't go home todayYou can go home dear but you know my heart will break.
You can go home my sweet, please just don't go home today.
I'm sick of going out and I'm feeling so damn old.
Love won't you stay a while, and so the endless love my soulYou can rotten your mind, and you can rotten your sleep.
You can rotten your life, but you're not rottening me
Theres no more feeding on me. There's no more leaning on me
I'm done with holding you up as you go weak in the kneesI don't want to be your crutches. I don't want to be your crutches.
I don't want to be your crutches, anymore.
I don't want to be your crutches, anymore. You can't keep me in your clutches, anymore.
I don't want to be your crutches. I don't want to be your crutches. You can't keep me in your clutches, anymore.
