

The Creed

Avalon

I'm broken and battered
I'm desperately searching
For faith to make sense of the fall
The questions keep coming
I'm all out of answers
It's like I can't breathe at all
But I find what I've lost
When I look to the cross
For the truth, for the light guiding me I believe that God is my Father
And Jesus Your Son
Is living and breathing in me
I believe
Oh, Your Spirit is with us
Giving hope and compassion
This is the Creed, I will live it
I will believe God hear the prayers
Of someone who needs you
Fill me with Your peace and grace
Help me to cling to the rock of ages
Every promise, every world I'll embrace
You are my strength
The stream in the desert
You hold my life in Your arms Each day You bring a morning
Full of your mercies, Your forgiveness
Full of life, brand new I believe that God is my Father
And Jesus Your Son
Is living and breathing in me
I believe
Oh, Your Spirit is with us
Giving hope and compassion
This is the Creed, I will live it
I will believe I believe
That He died just to save us
From the cross to the grave
On the third day
He rose
And He's coming again
I will live it 'til then
This is the Creed

This is the Creed, I will live it
I will believe
