I say you, this is the story
In the cloud of your friends

If you like to get up
When the music gets back
And I was thinking to myself
"Mhh, what can I do with that"
My king is a prown,
I love the way you break it down
And it wouldÂ´nt surprise me
If he got around
He said, "Girl, I like your style,
LetÂ´s chill here for a while"

Bachi, Bachi, dambo

Bachi, Bachi, dambo

Bachi, Bachi, dambo
Girl, chici chici chici chita
Bachi, Bachi, dambo
Girl, chici chici chici chita

I was down for long, in my life
It was time for falling in love

Come on and sing with,
Come and dance with me
Now itÂ´s time for falling in love

Is it the time for us to get down
Yes, itÂ´s time for us to get down
Is it really the time for us to get down,
Yes, itÂ´s time for us to get down

Now, lalidadi
We, like to party
Who like to party ?

Now, lalidadi
We, like to party
Who like to party ?
We, like to party

Bachi, Bachi, dambo
Girl, chici chici chici chita
Bachi, Bachi, dambo
Girl, chici chici chici chita
Bachi, Bachi, dambo
Girl, chici chici chici chita
Bachi, Bachi, dambo
Girl, chici chici chici chita
