## Crystal Castles

Catch a moth hold it in my hand  
Crush it casually  
Without past I can't disappoint  
My ancestry  
Forever can I sleep inside  
Your menagerie Catch a moth hold it in my hand  
Crush it casually  
Without past I can't disappoint  
My ancestry  
Forever can I sleep inside  
Your menagerie We drown in pneumonia not  
Rivers and streams
