Will Gravity Win Tonight?

Matthew Dear

Scared upon scared alike
Get caught in the simple like
Oh what can be done tonight?
We can't be led 'cause our feet touch the groundI want it to be done
I want it to be done
I want it to be done
I want it to be doneWill gravity win tonight?
I can't put up a fight
My body is so uptight
I can't object 'cause my feet touch the ground
