

Fire On the Bayou (Remastered)

The Meters

Fire on the bayou

Fire on the bayou

Fire on the bayou

Fire on the bayou Down in New Orleans, in Lucky's din

He wouldn't deal y'all for a 5th of gin

One dude wanted a bottle of wine

Hit that dude yes he did up for a dollar and a dime Fire on the bayou

Fire on the bayou

Take a little toke on your smoke

Buy yourself a bottle of wine

Cool, cool wine going down your throat

Don't try and tell me don't make you feel fine Fire on the bayou

Fire on the bayou I got a nickel now, you got a dime

Let's get together and have a good time

Goin' to buy a fifth, going to buy a joint

when you gettin' down now, you doin' things right"

"I got swamp water runnin' through my veins

The Mississippi River can't be tamed

I pole my pirogue in the middle of the night

I'm an uptown ruler, I can do it right"
