

Like Him

Aaliyah Rose

Verse 1

When this world was created
We all shouted for joy
Because it was just beginning
and we had a way, to grow and to change
we were provided a savior
to pray for our sins
and so he can show us
the way we should go, and that were not alone

Chours:

And we can be like him
if we just let him
we hear his voice in the dark
he put his love in our hearts
so when we see him again
we can be like him

Verse 2

His grace is eternal
his love without end
and if we go where he leads us
and walk in his ways, we'll see his

Chours:

And we can be like him
if we just let him in
we hear his voice the dark
he put his love in our hearts
so when we see him again
we can be like him

Verse 3

when we learn to love the way he loved
And find the part of him inside of us
we will know him,when we see him

cause we will be like
We can be like him
and if we just let him in
we hear his voice in the dark
he put his love in our hearts
so when we see him again

we can be like him

Like him
