

# A Thousand Miles

## Various Artists

Makin' my way downtown  
Walking fast  
Faces pass and I'm homeboundStaring blankly ahead  
Just makin' my way  
Just makin' a way  
Through the crowdAnd I need you  
And I miss you  
And now I wonderIf I could fall into the sky  
Do you think time would pass me by  
Cause you know I'd walk a thousand miles  
If I could just see you tonightIt's always times like these  
When I think of you  
And wonder if you ever think of meCause everything's so wrong  
And I don't belong  
Livin' in your precious memoryCause I need you  
And I miss you  
And now I wonderIf I could fall into the sky  
Do you think time would pass me by  
Cause you know I'd walk a thousand miles  
If I could just see you tonightI, I don't want to let you know  
I, I drown in your memory  
I, I don't want to let this go  
I, I don'tMakin' my way downtown  
Walking fast  
Faces pass and I'm homeboundStaring blankly ahead  
Just makin' my way  
Just makin' a way  
Through the crowdAnd I need you  
And I miss you  
And now I wonderIf I could fall into the sky  
Do you think time would pass us by  
Cause you know I'd walk a thousand miles  
If I could just see youIf I could fall into the sky  
Do you think time would pass me by  
Cause you know I'd walk a thousand miles  
If I could just see you  
If I could just hold you tonight
