Live Your Life

White Lion

?Live your live your life,
Live your life,
In the zone,
In the zone.
(X4)
Cameras off,
Knock this off
Imma do it like a boss tonight,
Tonight.
Empty glass not allowed,
Bottom out my account tonight,
Alright.
We can ride into the night
Anything you like
Like lovers do.
Party for your life,
It could end tonight
Like lovers do.
Why do you come out if you're not dancing?
Get up out my way,
Cause it's our time
We don't give a-
If you don't join in,
Cause we got freedom!
I got freedom!
Raise your hands,
Throw them up,
Show them we don't give a what!
Live your life,life, live your live your, live your life live your life
Celebrate,
In their face,
Party way into the day!
Live your life,life live your live your, life your live your life.
Leave me alone in the zone
Clear the phone
Im a queen Tonight,
Tonight.
Let freedom rain
Go insane

Let the party eat your pain
Tonight, alright
We can ride into the night
Anything you like
Like lovers do.
Party for your life,
It could end tonight
Like lovers do.

Why do you come out if you're not dancing?
Get up out my way,
Cause it's our time
We don't give a-
If you don't join in,
Cause we got freedom!
I got freedom!
Raise your hands,
Throw them up,
Show them we don't give a what!
Live your life, life, live your live your, live your life, live your life
Celebrate,
In their face,
Party way into the day!
Live your life, life, live your live your, life your live your life.
If you wanna be free,
(if you want it go and get it)
If love is all you need
(if you want it go and get it)
If you wanna live your dreams
(if you want it go and get it)
And be all that you can be
(if you want it go and get it)
Live your life,life, live your live your life, life
(if you want it go and get it)
Why do you come out if you're not dancing?
Get up out my way,
Cause it's our time
We don't give a-
If you don't join in,
Cause we got freedom!
I got freedom!
Raise your hands,
Throw them up,
Show them we don't give a what!
Live your life,life, live your live your life, live your life,

Celebrate,
In their face,
Party way into the day!
Live your life,life live your live your, live your life
Raise your hands,
Throw them up,
Show them we don't give a what!
Live your life, life, live your live your life, live your life,
Celebrate,
In their face,
Party way into the day!
Live your life, life live your live your life live your life.
