# In a State (Sasha Instrumental)

## UNKLE

My mind is in a state
'Cuz all I seem to do is tempt my fate
Well, I try a real space
But all the while, I'm crashin' up the gateThis time, this time
Reality struck me between the eyesMy mind is in a state
'Cuz everything I'm missing comes too late
So I try and disappear
But there is only one way out of hereThis time, this time
Reality struck me between the eyesMy mind is in a state
But all I need to do is change my pace
And I know there's fear to face
But happiness is found in its embraceThis time, this time
This time, this timeThis time, this time
