## Andy Bell

I love the way that you do your hair  
It's so beautiful, woah I love your sense of fashion  
Pure virgin with a criminal heart, woah Debbie Harry, Debbie Harry drag queen  
Who's the daddy with you in the limousine?  
Debbie Harry, Debbie Harry drag queen  
You're the superstar of the night scene Debbie Harry, Debbie Harry drag queen  
Who's the daddy with you in the magazine?  
Debbie Harry, Debbie Harry drag queen  
The most gorgeous girl that I've ever seen  
I love the way you gloss your lips  
Like Marilyn, woah Gone through a hedge backwards  
Real dirty with a criminal heart, woah Debbie Harry, Debbie Harry drag queen  
Who's the daddy with you in the limousine?  
Debbie Harry, Debbie Harry drag queen  
You're the superstar of the night scene Debbie Harry, Debbie Harry drag queen  
Who's the daddy with you in the magazine?  
Debbie Harry, Debbie Harry drag queen  
The most gorgeous girl that I've ever seen Debbie Harry, Debbie Harry drag queen  
Who's the daddy with you in the limousine?  
Debbie Harry, Debbie Harry drag queen  
You're the superstar of the night scene  
Debbie Harry, Debbie Harry drag queen  
Who's the daddy with you in the magazine?  
Debbie Harry, Debbie Harry drag queen  
The most gorgeous girl that I've ever seen
