

# While My Guitar Gently Weeps

[George Harrison](#)

I look at you all, see the love there that's sleeping  
While my guitar gently weeps  
I look at the floor and I see it needs sweeping  
Still my guitar gently weeps I don't know why nobody told you  
How to unfold your love  
And I don't know why someone controlled you  
They bought and sold you I look at the world and I notice it's turning  
While my guitar gently weeps  
With every mistake we must surely be learning  
Still my guitar gently weeps I don't know why you were diverted  
You were converted too  
And I don't know why you were inverted  
No one alerted you I look at you all, see the love there that's sleeping  
While my guitar gently weeps  
I look at you all  
Still my guitar gently weeps. While my guitar gently weeps.  
Still my guitar gently weeps. While my guitar gently weeps.  
Still my guitar gently weeps. While my guitar gently weeps.  
Still my guitar gently weeps. While my guitar gently weeps.  
Still my guitar gently weeps.
