Advisory - the following lyrics contain explicit language:

I know what boys like
I know what guys want
I know what boys like
I've got what boys likeI know what boys like
I know what guys want
I see them lookingI make them want me
I like to tease them
They want to touch me
I never let themI know what boys like
I know what guys want
I know what boys like
Boys like, boys like meBut you, you're special
(I might let you)
You're so much different
(I might let you)
Ohh, would you like that
(I might let you)I know what boys like
I know what guys want
I know what boys like
I know what's on their mindI know what boys like
I know what guys want
They talk about meI got my cat moves
That so upsets them
Zippers and buttons
Fun to frustrate themThey get so angry
Like pouty children
Denied their candy
I laugh right at themI know what boys like
I know what guys want
I know what boys like
Boys like, boys like meI feel sad now
(I will let you)

Sorry, I teased you
(I will let you)
This time I mean it
(I will let you)Anything you want
(You can trust me)
I really want to
(You can trust me)
How would you like it?
(You can trust me)Sucker, ha, ha, haI know what boys like
I know what guys want
I know what boys like
Boys like, boys like me
