

# I Know What Boys Like

## The Waitresses

Advisory - the following lyrics contain explicit language:

I know what boys like  
I know what guys want  
I know what boys like  
I've got what boys like I know what boys like  
I know what guys want  
I see them looking I make them want me  
I like to tease them  
They want to touch me  
I never let them I know what boys like  
I know what guys want  
I know what boys like  
Boys like, boys like me But you, you're special  
(I might let you)  
You're so much different  
(I might let you)  
Ohh, would you like that  
(I might let you) I know what boys like  
I know what guys want  
I know what boys like  
I know what's on their mind I know what boys like  
I know what guys want  
They talk about me I got my cat moves  
That so upsets them  
Zippers and buttons  
Fun to frustrate them They get so angry  
Like pouty children  
Denied their candy  
I laugh right at them I know what boys like  
I know what guys want  
I know what boys like  
Boys like, boys like me I feel sad now  
(I will let you)

Sorry, I teased you  
(I will let you)  
This time I mean it  
(I will let you) Anything you want  
(You can trust me)  
I really want to  
(You can trust me)  
How would you like it?  
(You can trust me) Sucker, ha, ha, ha  
I know what boys like  
I know what guys want  
I know what boys like  
Boys like, boys like me
