

# American Errorist (I Hate Hate Haters)

**NOFX**

It's okay, allow yourself a little hate  
Hatred is not so bad when directed at injustice  
You can turn the other cheek  
Just don't turn the other way  
Enemy of the planet  
We finally have a common hate  
A reason to forget about our differences  
And stand as a united front  
It's up to us, we must expose  
Humiliate American errorists  
We'll start with one  
The war has just begun  
The war has just begun
