The Tourist

Flickerstick

Tonight I'm going to leave with you
Do what you want to, but never do
I don't care how much you want me to stayThe tourist plays what you want him to playWhere will you go
Now that it's over
Now that you're older
Where will you goWhere will you go
Now that it's overNow that you're older
Where will you goI'm like the evil and you'll be the saint
You bring the pleasure
I'll bring the painFor every promise, there's a price to pay
The tourist plays what you want him to playWhere will you go
Now that it's over
Now that you're older
Where will you goWhere will you go
Now that it's overNow that you're older
Where will you goWhere will you goI can do anything...Where will you go
Now that it's over
Now that you're olderWhere will you goWhere will you go
Now that it's over
Now that you're olderWhere will you go
Where will you go?
